DISTRICT OF NEVADA

JONATHAN SILVER SKY,

Plaintiff,

Case No. 3:13-cv-00217-MMD-WGC

v.

ORDER

MARY E. MARTIN,

Defendant.

The Court received the attached letter from plaintiff. This case has been dismissed for failure to file proof of service on defendant, Mary E. Martin. To the extent plaintiff seeks reconsideration of the dismissal order, the request is denied. Plaintiff appears to claim that he did file proof of service. However, Plaintiff appears to attach a certificate of service, which is not the same as proof that service of process has been effectuated on defendant.

DATED THIS 1st day of December 2014.

UNITED STATES DISTRICT COURT, DISTRICT OF NEVADA

RE: Cause Number 3:13-CV-00217 MMD-WGC

To the Honorable Judge Miranda M. Du,

Let me get to the point; I now find it necessary to directly write to you, rather than attempting to pursue this issue through the Clerk of Court, as I am sending this communicate under emergency circumstances of duress due to a terrible wrong.

Please allow me to expand upon the above mentioned statement; On September 11, 2014, I received from your court a "Notice of Intent to Dismiss". I immediately typed a communication to the Clerk of the Federal Court, informing the Clerk that at the time of the ORIGINAL FILING of my motion on April 26, 2013, I had enclosed the proper "Proof-of-Service" required for the filing. Further, I, also, question the possibility of the document having been misplaced within the Clerk's office...

Thereafter, on September 12, 2014, I personally took the request information, and letter, to the U.S. Post Office and mailed said information to Reno, NV. Whatever has happened in the hands of the Post Office, or possibly the Clerk of Court's office, is a complete and utter mystery to me. I do not know if it was lost in the mail, or in the Clerk's office, but do know it was sent as requested.

I am requesting for reconsideration, due to the circumstances as I am indigent and do not have the financial ability to refile.

I would like to THANK you for your time and understanding within this matter, and hope that you have a good Thanksgiving holiday.
